AME KDS (Kitchen Display System)

Equip your kitchen with the industry's most durable all-in-one kitchen display system (KDS). The AMEPOS KDS is simple to install and is purpose-built with long-life embedded components to withstand excessive exposure to heat, humidity, grease, liquids, and heavy use.

Optimize kitchen workflows, food quality, and speed of service. Prioritize color coded orders and updates from your restaurant POS system, website, and mobile apps in real time. Use predefined cook timings to break down each order, prioritize preparation tasks, and automatically alert kitchen staff about ticket times that have exceeded your restaurant's standards.
